RECOMMENDED PRE-CONDITIONAL MANDATORY CASH OFFER

for

HIGHLAND GOLD MINING LIMITED

by

FORTIANA HOLDINGS LIMITED

Summary

- Highland Gold Mining Limited (“**Highland Gold**”) and Fortiana Holdings Limited (“**Fortiana**”) are pleased to announce that they have reached agreement on the terms of a recommended pre-conditional mandatory cash offer to be made by Fortiana for the Highland Gold Shares not already held or agreed to be acquired by Fortiana (the “**Offer**”).
- Today, Fortiana agreed to acquire 145,759,871 Highland Gold Shares, representing 40.06 per cent. of the issued share capital of Highland Gold, from the following Highland Gold Shareholders: Roman Arkadievich Abramovich, Eugene Shvidler, Irina Alexandrovna Panchenko, Andrey Victorovich Gorodilov, Aleksey Leonidovich Polezhaev, New Evolution Trading Limited, Matteson Overseas Limited and Denalot Worldwide Limited (the “**Selling Shareholders**”), at a price of £3.00 per Highland Gold Share (the “**Acquisition**”).
- As a result of the Acquisition, under Rule 9 of the Code, Fortiana is required to make the Offer, at a price per Highland Gold Share not less than the price per Highland Gold Share being paid to the Selling Shareholders.
- The making of the Offer will be subject to the satisfaction or waiver of the FAS Pre-Condition. Under the terms of the Offer, which will be subject to the Condition and further terms to be set out in the Offer Document and the Form of Acceptance, Highland Gold Shareholders will be entitled to receive:

for each Highland Gold Share £3.00 in cash
- The terms of the Offer value Highland Gold’s entire issued and to be issued share capital at approximately £1,091,690,970.
- The terms of the Offer represent a premium of approximately:

- 20 per cent. to the volume weighted average Closing Price per Highland Gold Share of £2.51 for the one month period ended on 30 July 2020 (being the last practicable date prior to the date of this Announcement); and
 - 4 per cent. to the Closing Price per Highland Gold Share of £2.89 on 30 July 2020 (being the last practicable date prior to the date of this Announcement).
- The Highland Gold Independent Directors, who have been so advised by Citi as to the financial terms of the Offer, consider the terms of the Offer to be fair and reasonable. In providing advice to the Highland Gold Independent Directors, Citi has taken into account the Highland Gold Independent Directors' commercial assessments. Citi is providing independent financial advice for the purposes of Rule 3 of the Code to the Highland Gold Independent Directors.
 - Accordingly, the Highland Gold Independent Directors intend to recommend unanimously that Highland Gold Independent Shareholders accept the Offer.
 - Fortiana has received an irrevocable undertaking from Duncan Baxter (Senior Independent Director of Highland Gold) to accept the Offer, when made, in respect of his holding of 20,000 Highland Gold Shares, in aggregate, representing approximately 0.01 per cent. of the issued share capital of Highland Gold as at 30 July 2020 (being the last practicable date prior to this Announcement).
 - The Fortiana Board believes there is a compelling strategic and financial rationale for making the Offer:
 - The Offer provides Fortiana with an opportunity to participate in the realisation of Highland Gold's upside potential through production, organic growth and Fortiana's positive outlook on future gold price performance.
 - Highland Gold is one of Russia's leading gold producers operating several mines with a strong track record of sustainable production levels. Highland Gold operates in three regions – Zabaikalsk, Khabarovsk and Chukotka – which are among the top-10 gold producing regions in Russia.
 - Highland Gold's main development project, Kekura, also serves as an expansion of its operations in the Chukotka Region, one of the most prospective gold provinces in Russia. Chukotka holds a significant exploration potential which can be unlocked within several years of investments in exploration but is limited by infrastructure restrictions.
 - Vladislav Sviblov, the ultimate beneficial owner (“**UBO**”) of Fortiana, has interests in a number of mining activities in the Buryatiya and Zabaikalsk regions.
 - Highland Gold engages in gold mining operations. Highland Gold's portfolio of assets consists of four operating mines, one mine under construction and a pipeline of development projects. Highland Gold's operations are located around three main hubs in the Khabarovsk, Zabaikalsk and Chukotka regions of Russia, as well as in Kyrgyzstan. Highland Gold was incorporated in 2002 for the purpose of acquiring, consolidating and developing high potential gold mining projects and is headquartered in Saint Helier, Jersey. Highland Gold explores for gold, silver, zinc and lead and also offers project engineering services. Highland Gold has been admitted to trading on AIM since 2002.

- Fortiana is a Cyprus registered company majority controlled by Vladislav Sviblov and is part of his wider business interests in the metals and mining industry. Vladislav Sviblov is Chief Executive Officer and majority shareholder of Ozernaya Mining Company which is developing a prominent zinc-lead deposit in the Buryatia region of eastern Siberia in Russia. It also controls a gold producing group of companies in the Zabaikalsk region in Russia with over 30koz pa gold production and an extensive resource base which provides for a strong Life of Mine (“**LOM**”) production outlook.
- Commenting on the Offer, Vladislav Sviblov, UBO of Fortiana, said:

“This is a strategic investment for us, in line with our aim to build a broader asset portfolio in the natural resources sector in Russia. This transaction adds to our existing strategic investments like the Ozernaya Mining Company, which is developing zinc-lead and gold-zinc deposits, as well as several gold mining assets and prospective deposits in the Zabaikalsk region.

“We believe that Highland Gold is an attractive asset that has sustainable cost advantages, attractive deposits as well as a strong and experienced management team. Highland Gold is fundamentally well positioned to further develop its asset and project portfolio, and to monetise its substantial resource base for the benefit of its shareholders.”

- If any dividend or other distribution is authorised, declared, made or paid in respect of Highland Gold Shares on or after the date of this Announcement, Fortiana reserves the right to reduce the offer consideration by the aggregate amount of such dividend or other distribution.
- The making of the Offer by the publication of the Offer Document will take place as soon as reasonably practicable and in any event within 28 days following the satisfaction of the FAS Pre-Condition which relates to the receipt of clearance from the Russian Federal Antimonopoly Service (“**FAS**”).
- It is intended that the Offer will be implemented by way of a takeover offer within the meaning of Article 116 of the Companies Jersey Law and under the Code. The Offer is conditional upon Fortiana having received acceptances in respect of Highland Gold Shares which, together with Highland Gold Shares acquired or agreed to be acquired before or during the Offer, will result in Fortiana and any person acting in concert with it holding Highland Gold Shares carrying more than 50 per cent. of the voting rights then normally exercisable at a general meeting of Highland Gold.
- The Offer is expected to complete in Q4 2020, subject to the satisfaction of the FAS Pre-Condition and the Condition set out in Appendix I to this Announcement.
- Further details of the Offer will be contained in the Offer Document and the Form of Acceptance. Subject to certain restrictions relating to persons resident in Restricted Jurisdictions, the Offer Document and the Form of Acceptance will also be made available on Fortiana’s website at <https://fortianaholdings.com/> and Highland Gold’s website at <https://www.highlandgold.com/home/offer>.

This summary should be read in conjunction with, and is subject to, the full text of this Announcement (including its Appendices).

RECOMMENDED PRE-CONDITIONAL MANDATORY CASH OFFER

for

HIGHLAND GOLD MINING LIMITED

by

FORTIANA HOLDINGS LIMITED

1. Introduction

Highland Gold and Fortiana are pleased to announce that they have reached agreement on the terms of a recommended pre-conditional mandatory cash offer to be made by Fortiana for the Highland Gold Shares not already held or agreed to be acquired by Fortiana.

Today, Fortiana agreed to acquire 145,759,871 Highland Gold Shares, representing 40.06 per cent. of the issued share capital of Highland Gold, from the following Highland Gold Shareholders: Roman Arkadievich Abramovich, Eugene Shvidler, Irina Alexandrovna Panchenko, Andrey Victorovich Gorodilov, Aleksey Leonidovich Polezhaev, New Evolution Trading Limited, Matteson Overseas Limited and Denalot Worldwide Limited (the “**Selling Shareholders**”), at a price of £3.00 per Highland Gold Share (the “**Acquisition**”).

As a result of the Acquisition, under Rule 9 of the Code, Fortiana is required to make the Offer, at a price per Highland Gold Share not less than the price per Highland Gold Share being paid to the Selling Shareholders.

2. The Offer

The making of the Offer will be subject to the satisfaction or waiver of the FAS Pre-Condition. Under the terms of the Offer, which will be subject to the Condition and further terms to be set out in the Offer Document and the Form of Acceptance, Highland Gold Shareholders will be entitled to receive:

for each Highland Gold Share £3.00 in cash

The terms of the Offer value Highland Gold’s entire issued and to be issued share capital at approximately £1,091,690,970.

The terms of the Offer represent a premium of approximately:

- 20 per cent. to the volume weighted average Closing Price per Highland Gold Share of £2.51 for the one month period ended on 30 July 2020 (being the last practicable date prior to the date of this Announcement); and
- 4 per cent. to the Closing Price per Highland Gold Share of £2.89 on 30 July 2020 (being the last practicable date prior to the date of this Announcement).

If any dividend or other distribution in respect of the Highland Gold Shares is announced, declared, payable or paid in respect of the Highland Gold Shares on or after the date of this Announcement, Fortiana reserves the right to reduce the consideration payable for each Highland Gold Share by the amount of all or part of any such dividend or other distribution.

3. Background to and reasons for the Offer

Fortiana believes there is a compelling strategic and financial rationale for the Acquisition and for the making of the Offer.

Highland Gold is one of Russia's leading gold producers with an attractive portfolio of operating assets and a pipeline of development projects. Highland Gold has a track record of sustained production increases and is positioned as a low cost producer with total cash costs of US\$556/oz as of FY2019. Highland Gold's main development projects, including Kekura, Taseevskoye, Klen and Unkurtash provide a pathway to growth in production in the medium term.

Notwithstanding the gold price having achieved an all-time high of US\$1,971/oz in July 2020, Fortiana has a positive outlook for gold in the medium term in the context of current global trade uncertainty.

Vladislav Sviblov, the ultimate beneficial owner of Fortiana, has interests in a number of mining assets including in the precious metals sector and the Offer provides Fortiana with an opportunity to participate in the realisation of Highland Gold's upside potential. In particular, Fortiana believes that the Kekura project in the Chutkotka region represents a solid development opportunity in one of the most prospective gold provinces in Russia. While the regions of Highland Gold's operations have a number of infrastructure restrictions and a number of its potential development assets bear certain development risks, Fortiana is comfortable to assume such execution risks and believes it can support Highland Gold's future development.

The Offer provides Highland Gold Shareholders with an opportunity to crystallize the value of their Highland Gold Shares for cash at an attractive premium, providing a liquidity event for Highland Gold's shareholders.

This premium is being offered notwithstanding the record prevailing gold pricing environment. Highland Gold's share price has increased 47.15 per cent. since 1 January 2020.

Fortiana considers the terms of the Offer to be attractive for Highland Gold's shareholders representing a premium of approximately:

- 20 per cent. to the volume weighted average Closing Price per Highland Gold Share of £2.51 for the one month period ended on 30 July 2020 (being the last practicable date prior to the date of this Announcement); and
- 4 per cent. to the Closing Price per Highland Gold Share of £2.89 on 30 July 2020 (being the last practicable date prior to the date of this Announcement).

Fortiana believes that such a premium is in line with other recent premia paid in precedent transactions in the mining sector.

4. Recommendation of the Highland Gold Independent Directors

The Highland Gold Independent Directors, who have been so advised by Citi as to the financial terms of the Offer, consider the terms of the Offer to be fair and reasonable. In providing advice to the Highland Gold Independent Directors, Citi has taken into account the Highland Gold Independent Directors' commercial assessments. Citi is providing independent financial advice for the purposes of Rule 3 of the Code to the Highland Gold Independent Directors.

Given that certain members of the Highland Gold Board are Selling Shareholders or are connected to Selling Shareholders, for the purpose of considering the Offer, the Highland Gold Board constituted a committee comprising the Highland Gold Independent Directors to consider the Offer.

5. Background to and reasons for the Highland Gold Independent Directors' recommendation

In considering the Offer, the Highland Gold Independent Directors have taken account of the following important factors:

- A number of Highland Gold's largest shareholders (including its Chairman, Eugene Shvidler), who have been long-term Highland Gold Shareholders, have agreed to the sale of their Highland Gold Shares at the Offer price.
- The Highland Gold Independent Directors understand that the Selling Shareholders have been exploring a number of options over a period of time and have concluded that the Offer represents an attractive price for them to exit.
- The Offer provides a liquidity opportunity for all Highland Gold Shareholders to realise their investment in Highland Gold in full in cash if they wish.
- The current share price recently reached a near all-time high, and has increased 47 per cent. over the year to date.
- Whilst the Highland Gold Independent Directors are confident of the future prospects of the Highland Gold Group, they believe that the Offer represents fair value on the basis of their commercial assessments of Highland Gold, including market consensus on the long-term price of gold, which is significantly below the current spot price. The Highland Gold Independent Directors also believe the Offer recognises the production growth potential of the Highland Gold Group in the medium-term, whilst providing certainty, in cash, to Highland Gold Shareholders. In particular:
 - Highland Gold's share price recently reached its highest closing price for over 14 years on 29 July 2020, and is currently trading at near all-time highs, closing at £2.89 per share on 30 July 2020 (being the last practicable date prior to the date of this Announcement);
 - the Highland Gold Group is materially exposed to the price of gold, which reached an all-time high price of US\$1,971/oz in July 2020;

- there are risks in the Highland Gold Group’s development of its Kekura site, which remains several years away from commercial production; and
- the Offer represents a premium of approximately:
 - 35 per cent. to the six-month volume weighted average Closing Price per Highland Gold Share;
 - 21 per cent. to the three-month volume weighted average Closing Price per Highland Gold Share;
 - 20 per cent. to the one-month volume weighted average Closing Price per Highland Gold Share; and
 - 4 per cent. to the Closing Price per Highland Gold Share of £2.89 on 30 July 2020 (being the last practicable date prior to the date of this Announcement).
- The Condition (which relates to the threshold of acceptances needed for the Offer to become unconditional) is set at not less than 50 per cent.. If the FAS Pre-Condition is satisfied, Fortiana will acquire interests over 40 per cent. of the Highland Gold Shares pursuant to the Acquisition, requiring only a relatively small number of Independent Highland Gold Shareholders to accept the Offer to satisfy the Condition. Fortiana would then have control over the Highland Gold Group and the trading in Highland Gold Shares may become increasingly illiquid. If Fortiana acquires interests in excess of 75 per cent. of the share capital of Highland Gold, Fortiana may seek to terminate the admission of the Highland Gold Shares to trading on AIM, thereby further reducing liquidity.
- Given the significant impact of the gold price on the Highland Gold share price, the Highland Gold Independent Directors would note that, if Independent Highland Gold Shareholders have a view of future gold prices that is meaningfully higher than the current consensus forecasts, the Offer may be relatively less attractive to them.

6. Irrevocable undertaking

Fortiana has received an irrevocable undertaking to accept the Offer, when made, from Duncan Baxter (Senior Independent Director of Highland Gold), in respect of his entire beneficial holding, amounting to 20,000 Highland Gold Shares, in aggregate, representing approximately 0.01 per cent. of the issued share capital of Highland Gold as at 30 July 2020 (being the last practicable date prior to this Announcement).

The irrevocable undertaking given by Duncan Baxter will continue to be binding in the event that a higher competing offer is made for Highland Gold and will cease to be binding if: (a) Fortiana does not publish the Offer Document within 28 days (or such longer period as the Panel may agree) after the date of satisfaction or waiver of the FAS Pre-Condition; (b) Fortiana announces, with the consent of the Panel and prior to the publication of the Offer Document that it does not intend to proceed with the Offer; or (c) the Offer lapses or is withdrawn in accordance with its terms.

7. Information on Fortiana

Fortiana is a Cyprus registered company majority controlled by Vladislav Sviblov and is part of his wider business interests in the metals and mining industry. Vladislav Sviblov is Chief

Executive Officer and majority shareholder of Ozernaya Mining Company which is developing a prominent zinc-lead deposit in the Buryatia region of eastern Siberia in Russia. It also controls a gold producing group of companies in the Zabaikalsk region in Russia with over 30koz pa gold production and an extensive resource base which provides for a strong LOM production outlook.

8. Information on Highland Gold

Highland Gold engages in gold mining operations. Highland Gold's portfolio of assets consists of four operating mines, one mine under construction and a pipeline of development projects. Highland Gold's operations are located around three main hubs in the Khabarovsk, Zabaikalsk and Chukotka regions of Russia, as well as in Kyrgyzstan. Highland Gold was incorporated in 2002 for the purpose of acquiring, consolidating and developing high potential gold mining projects and is headquartered in Saint Helier, Jersey. Highland Gold explores for gold, silver, zinc, and lead and also offers project engineering services. Highland Gold has been admitted to trading on AIM since 2002.

9. Financing

Fortiana intends to finance the cash consideration payable to Highland Gold Shareholders pursuant to the Offer using third party debt to be provided under a facilities agreement arranged by VTB Bank (the "**Facilities Agreement**"). The term loan facilities provided under the Facilities Agreement (the "**Facilities**") are committed and are secured by security granted by Fortiana and certain of its affiliates. The Facilities have a three year term.

In connection with the Facilities Agreement, Fortiana has entered into a foreign exchange agreement with VTB Bank in order to facilitate the payment of the cash consideration payable to Highland Gold Shareholders pursuant to the Offer.

VTB Capital, as financial adviser to Fortiana, is satisfied that sufficient resources are available to Fortiana to enable it to satisfy in full the cash consideration payable to Highland Gold Shareholders under the terms of the Offer.

Further information on the financing of the Offer will be set out in the Offer Document.

10. Strategic plans, management, employees, pensions, research and development, locations

Fortiana's strategic plans for Highland Gold

Fortiana believes there is a compelling strategic and financial rationale for making the Offer, which provides Fortiana with an opportunity to participate in the realisation of Highland Gold's upside potential. Fortiana believes it can support Highland Gold's future development.

Employees, management, existing rights and pensions

Fortiana attaches great importance to the skills and experience of existing management and employees of Highland Gold. Fortiana intends that the existing contractual and statutory employment rights, including in relation to pensions, of all Highland Gold management and employees will be fully safeguarded in accordance with applicable law. Fortiana does not anticipate making any material changes to the balance of skills and functions of Highland Gold's employees and management nor does Fortiana intend to initiate any material headcount reductions within the organisation.

Highland Gold has confirmed to Fortiana that it does not have any defined benefit pension schemes in place.

Fortiana is committed to high standards of corporate governance.

Fortiana intends that Highland Gold will continue to operate as a standalone business and the Relationship Agreement (as further described in Section 11 (*Offer-related arrangements*)) ensures that the relationship between Fortiana and Highland Gold is managed to ensure that, among other things, Highland Gold carries on business independently of Fortiana.

Fortiana understands that the Board of Directors of Highland Gold resolved in August 2018 to adopt the QCA Corporate Governance Code as its blueprint for ensuring an effective and transparent system of corporate governance. Fortiana has reviewed the principles of good governance in the QCA Corporate Governance Code and is committed to their continued implementation by Highland Gold.

Fortiana is committed to a balanced Board of Directors which comprises Executive Directors, Non-Executive Directors and Independent Non-Executive Directors. Fortiana recognises the skills and experience of Duncan Baxter, Deborah Gudgeon and Colin Belshaw (together, the “**Independent Directors**”) and is pleased that they have confirmed their intention to continue to serve on the Board of Highland Gold in the event that Highland Gold’s admission to trading on AIM remains. Fortiana intends to appoint two new directors to the Highland Gold Board, nominated by Fortiana in accordance with the terms of the Relationship Agreement.

The Relationship Agreement entitles Fortiana to nominate an individual of suitable experience to be appointed as chief executive of Highland Gold. Fortiana recognises the experience and track record of Denis Alexandrov and has no intention to change the executive leadership of Highland Gold. In the event that Fortiana determines, in the future to nominate an alternative candidate for chief executive it would be Fortiana’s intention to nominate a high calibre industry professional with the requisite experience and track record to support the growth of Highland Gold in the interests of all shareholders and stakeholders. The appointment of any future chief executive shall be subject to the approval of the Highland Gold Board in accordance with the terms of the Relationship Agreement.

In the event that the Offer becomes or is declared wholly unconditional, Fortiana intends to review the management, governance and incentive structure of Highland Gold. Fortiana has not entered into and has not had discussions on proposals to enter into, any new incentivisation arrangements with members of Highland Gold’s management but may have discussions and enter into such discussions for certain members of the Highland Gold management team in the event that the Offer becomes or is declared wholly unconditional.

Headquarters, locations, research and development and fixed assets

Fortiana does not have intentions to change the location of Highland Gold’s business, including the location of Highland Gold’s headquarters and headquarters functions.

Highland Gold does not have any research and development functions and Fortiana does not intend to redeploy any of Highland Gold’s fixed assets.

Maintenance of existing trading facilities

In the event that the Offer does not become or is not declared wholly unconditional, Fortiana does not anticipate that the Acquisition will result in a change to Highland Gold’s admission to trading on AIM and in such context Fortiana remains committed to the development of its

business interests in the mining sector as a publicly listed entity.

If the Offer does become wholly unconditional, Fortiana does not intend to cancel the admission to trading of the Highland Gold Shares on AIM. However, while Fortiana does not have such an intention, Fortiana reserves the right to procure that Highland Gold will make a request for the cancellation of the admission to trading of Highland Gold Shares on AIM if considered necessary or advisable by Highland Gold's Nominated Adviser or otherwise required by applicable regulation, including the AIM Rules.

No statements in this Section 8 (*Management, employees, pensions, research and development, locations*) constitute "post-offer undertakings" for the purposes of Rule 19.5 of the Code.

11. Offer-related arrangements

Share Purchase Agreement

Fortiana and the Selling Shareholders entered into a sale and purchase agreement in connection with the Acquisition (the "**SPA**") on 31 July 2020, which commits Fortiana to buy, and the Selling Shareholders to sell, 145,759,871 Highland Gold Shares, representing 40.06 per cent. of the Total Highland Gold Shares, at a price of £3.00 per Highland Gold Share.

The SPA provides for the Acquisition to take place in two stages. Firstly, Fortiana will acquire 23.95 per cent. of Highland Gold pro rata from each of the Selling Shareholders, conditional only upon Fortiana making this Announcement. The acquisition of the remaining Highland Gold Shares held by the Selling Shareholders is conditional upon Fortiana obtaining clearance by the Russian Federal Antimonopoly Service ("**FAS**").

Confidentiality Agreement

Fortiana and Highland Gold entered into a confidentiality agreement on 28 July 2020 (the "**Confidentiality Agreement**"), pursuant to which Fortiana has undertaken to keep confidential information relating to Highland Gold and the Offer and not to disclose it to third parties (with certain exceptions). These confidentiality obligations will remain in force until the second anniversary of the date of the Confidentiality Agreement. The Confidentiality Agreement contains restrictions on Fortiana contacting any current or former directors or employees of the Highland Gold Group (other than the Selling Shareholders) in relation to the sale of their Highland Gold Shares pursuant to the SPA, or any person which Fortiana knows to be a customer, client, supplier or agent of the Highland Gold Group, other than in the ordinary course of business. The Confidentiality Agreement also contains provisions pursuant to which Fortiana has agreed not to solicit directors, management or senior employees of Highland Gold, subject to customary carve-outs, for a period of twelve months.

Co-operation Letter

On 31 July 2020, Fortiana and Highland Gold entered into a letter whereby each party undertakes to the other to co-operate in order to satisfy the FAS Pre-Condition (the "**Co-operation Letter**"). Under the Co-operation Letter, Fortiana undertakes to use best efforts to take any and all actions necessary to avoid, eliminate, and resolve any and all impediments as may be required by FAS to satisfy the FAS Pre-Condition as soon as reasonably practicable following the date of the Confidentiality Letter. In addition, Fortiana agrees not to seek to invoke the FAS Pre-Condition so as to cause the Offer not to proceed, to lapse or to be withdrawn unless the circumstances which give rise to the right to invoke the FAS Pre-Condition are of material significance to Fortiana in the context of the Offer in accordance with the Code.

Relationship Agreement

On 31 July 2020, Fortiana and Highland Gold entered into a relationship agreement to ensure, among other things, that Highland Gold carries on its business independently of Fortiana (the “**Relationship Agreement**”). Under the Relationship Agreement, Fortiana is entitled, subject to it satisfying the FAS Pre-Condition and it having a certain level of shareholding in Highland Gold, to appoint non-executive directors to the Highland Gold Board. Prior to satisfying the FAS Pre-Condition, Fortiana is also entitled to appoint an observer to attend meetings of the Highland Gold Board, subject to certain conditions set out in the Relationship Agreement. In addition, Fortiana agrees to certain undertakings in connection with Highland Gold carrying on its business independently of Fortiana.

The Relationship Agreement will terminate (save for accrued rights) if Fortiana holds less than 15 per cent. or 75 per cent. or more of the voting share capital of Highland Gold.

Further details of the Relationship Agreement are described in Section 10 (*Management, employees, pensions, research and development, locations*).

12. Structure of the Offer

The making of the Offer by the publication of the Offer Document will take place as soon as reasonably practicable and in any event within 28 days following the satisfaction of the FAS Pre-Condition.

It is intended that the Offer will be implemented by way of a takeover offer within the meaning of Article 116 of the Companies Jersey Law and under the Code. The Offer is conditional upon Fortiana having received acceptances in respect of Highland Gold Shares which, together with Highland Gold Shares acquired or agreed to be acquired before or during the Offer, will result in Fortiana and any person acting in concert with it holding Highland Gold Shares carrying more than 50 per cent. of the voting rights then normally exercisable at a general meeting of Highland Gold.

The Highland Gold Shares shall be acquired by Fortiana under the Offer with full title guarantee, fully paid and free from all liens, equitable interests, charges, encumbrances, options, rights of pre-emption and any other third party rights and interests of any nature and together with all rights now or hereafter attaching or accruing to them, including voting rights and the right to receive and retain in full all dividends and other distributions (if any) declared, made or paid thereafter.

The Offer Document and Form of Acceptance will include full details of the Offer and the expected timetable, and will specify the actions to be taken by Highland Gold Shareholders in connection with the Offer. It is expected that the Offer Document will be published as soon as practicable and in any event within 28 days following the satisfaction or waiver of the FAS Pre-Condition unless Fortiana and Highland Gold otherwise agree with the consent of the Panel.

Highland Gold Shareholders are urged to read the Offer Document and the accompanying Form of Acceptance when they are sent to them because they will contain important information. An indicative timetable setting out the expected dates for implementation of the Offer will be included in the Offer Document.

13. Disclosure of interests in Highland Gold

this Announcement), save for: (i) the Highland Gold Shares acquired or to be acquired pursuant to the Acquisition; and (ii) the irrevocable undertaking referred to in Section 4 (*Irrevocable undertaking*), none of Fortiana or any of its directors or, so far as Fortiana is aware, any person acting, or deemed to be acting, in concert with Fortiana had:
