

## HELIOSTAR ANNOUNCES INCREASE TO PREVIOUSLY-ANNOUNCED PRIVATE PLACEMENT TO UP TO \$7 MILLION

NOT FOR DISTRIBUTION TO UNITED STATES NEWS WIRE SERVICES OR FOR DISSEMINATION IN THE UNITED STATES

**Vancouver, Canada, June 30, 2023** – HelioStar Metals Ltd. (TSXV:HSTR) (the “**Company**”) is pleased to announce today that it has agreed with Clarus Securities Inc. (“**Clarus**”), as lead agent, on behalf of a syndicate of agents including PI Financial Corp. and Roth Canada, Inc. (collectively, the “**Agents**”), to increase the size of its previously announced \$5,000,000 “best efforts” private placement offering being made pursuant to the listed issuer financing exemption (the “**Listed Issuer Financing Exemption**”) under Part 5A of National Instrument 45-106 – *Prospectus Exemptions* (“**NI 45-106**”). Pursuant to the upsized deal terms, the Agents have agreed to sell, on a “best efforts” private placement basis, up to 14,324,324 units of the Company (the “**Units**”) to be priced at \$0.37 per Unit (the “**Brokered Offering**”) for gross proceeds of up to \$5,300,000, being the maximum amount permissible under the Listed Issuer Financing Exemption. Each Unit is comprised of one common share in the capital of the Company (“**Common Share**”) and one-half of one Common Share purchase warrant (each whole warrant, a “**Warrant**”). Each Warrant will entitle the holder thereof to purchase one Common Share for a period of 18 months following the Closing Date (as defined below), at an exercise price of \$0.50 for a period of six months following the Closing Date, after which time the exercise price will increase to \$0.70 for the remaining term of the Warrant.

Due to strong investor demand, in addition to the Brokered Offering, the Company intends to complete a concurrent non-brokered private placement to accredited investors under Section 2.3 of NI 45-106 (the “**Non-Brokered Offering**”, and together with the Brokered Offering, the “**Offering**”) of up to 4,594,594 units of the Company, on the same pricing terms and conditions as the Offering, for additional gross proceeds of up to \$1,700,000.

The Company intends to use the net proceeds of the Offering to continue the exploration and development work on its Ana Paula Project in Guerrero, Mexico, as well as general corporate working capital purposes.

The Offering is scheduled to close on or about July 11, 2023, and is subject to certain conditions including, but not limited to, the receipt of all necessary approvals including the approval of the TSX Venture Exchange (“**TSXV**”). Subject to compliance with applicable regulatory requirements and in accordance with NI 45-106, the Units will be offered for sale to purchasers resident in Canada, except Quebec, and/or other jurisdictions agreed to between the Company and Clarus. The Units offered pursuant to the Listed Issuer Financing Exemption will not be subject to resale restrictions pursuant to applicable Canadian securities laws. All other Units issued pursuant to the Offering will be subject to the statutory hold period of four months and one day from the date of issuance in accordance with applicable Canadian securities laws.

There is an amended offering document dated the date hereof related to the Brokered Offering that can be accessed under the Company’s profile at [www.sedar.com](http://www.sedar.com) and on the Company’s website at [www.heliostarmetals.com](http://www.heliostarmetals.com). Prospective investors should read this offering document before making an investment decision.

The securities offered have not been registered under the U.S. Securities Act of 1933, as amended (the “**U.S. Securities Act**”), and may not be offered or sold to, or for the account or benefit of, persons in the “United States” or “U.S. persons” (as such terms are defined in Regulation S under the U.S. Securities Act) absent registration under the U.S. Securities Act and all applicable state securities laws or compliance with an applicable exemption from such registration requirements. This news release shall not constitute an offer to sell or the solicitation of an offer to buy nor shall there be any sale of the securities in any jurisdiction in which such offer, solicitation or sale would be unlawful.

Stewart Harris, P.Geol., a Qualified Person, as such term is defined by National Instrument 43-101 – *Standards of Disclosure for Mineral Projects*, has reviewed the scientific and technical information that forms the basis for this news release and has approved the disclosure herein

### **About Heliostar Metals Ltd.**

Heliostar is a junior mining company with a portfolio of high-grade gold projects in Mexico and Alaska.

The Company is focused on developing the 100% owned Ana Paula Project in Guerrero, Mexico. In addition, Heliostar is working with the Mexican government to permit the San Antonio Gold Project in Baja California Sur, Mexico. The Company continues efforts to explore the Unga Gold Project in Alaska.

The Ana Paula Project deposit contains proven and probable mineral reserves of 1,081,000 ounces of gold (630,000 proven and 451,000 probable ounces) at 2.38 grams per tonne (“**g/t**”) gold and 2,547,000 ounces of silver at 5.61 g/t silver (1,322,000 proven and 1,226,000 probable ounces). The project measured and indicated resources of 1,468,800 ounces of gold (703,800 measured and 765,000 indicated ounces) at 2.16 g/t gold and 3,600,000 ounces of silver (1,637,000 measured and 1,963,000 indicated ounces) at 5.3 g/t silver. The project is permitted for open-pit mining and contains significant existing infrastructure including a portal and a 412-metre-long decline.

### **Cautionary Statement**

*This news release includes certain "forward-looking statements" under applicable Canadian securities legislation. Forward-looking statements include, but are not limited to, risk factors relating to the timely receipt of all regulatory and third party approvals for the Offering, including that of the TSX Venture Exchange, that the Offering may not close within the timeframe anticipated or at all or may not close on the terms and conditions currently anticipated by the Company for a number of reasons including, without*

*limitation, as a result of the occurrence of a material adverse change, disaster, change of law or other failure to satisfy the conditions to closing of the Offering; the inability of the Company to apply the use of proceeds from the Offering as anticipated; the size of the Offering, the issuance of the Units pursuant to the Listed Issuer Financing Exemption, the Company's objectives, goals or future plans, statements, exploration results, potential mineralization, the estimation of mineral resources, exploration and mine development plans, timing of the commencement of operations and estimates of market conditions. Forward-looking statements are necessarily based upon a number of estimates and assumptions that, while considered reasonable, are subject to known and unknown risks, uncertainties, and other factors which may cause the actual results and future events to differ materially from those expressed or implied by such forward-looking statements. All statements that address future plans, activities, events or developments that the Company believes, expects or anticipates will or may occur are forward-looking information. There can be no assurance that such statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Accordingly, readers should not place undue reliance on forward-looking statements. When considering this forward-looking information, readers should keep in mind the risk factors and other cautionary statements in the Company's disclosure documents filed with the applicable Canadian securities regulatory authorities on SEDAR at [www.sedar.com](http://www.sedar.com). The risk factors and other factors noted in the disclosure documents could cause actual events or results to differ materially from those described in any forward-looking information. The Company disclaims any intention or obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise, except as required by law.*
