

# Currency (Perth Mint) Determination 2009 (No. 2)<sup>1</sup>

*Currency Act 1965*

---

I, NICK SHERRY, Minister for Superannuation and Corporate Law, make this Determination under paragraphs 13 (2) (a) and (b) and subsection 13A (1) of the *Currency Act 1965*.

Dated 8 May 2009

NICK SHERRY  
Minister for Superannuation and Corporate Law

---

**1 Name of Determination**

This Determination is the *Currency (Perth Mint) Determination 2009 (No. 2)*.

**2 Commencement**

This Determination commences on the day after it is registered.

**3 Definition**

In this Determination:

*Act* means the *Currency Act 1965*.

**4 Specification of standard composition for coin denomination already specified in Act**

(1) This section is made for paragraph 13 (2) (a) of the Act.

## Section 5

---

- (2) The Act has effect, on and after the day on which this Determination commences, as if the reference in the Schedule to the Act opposite the reference to a denomination mentioned in an item of the following table to the standard composition of coins of that denomination were a reference to the standard composition mentioned in column 3 of the table.

| Item | Denomination                    | Standard composition         |
|------|---------------------------------|------------------------------|
| 1    | 'One hundred and fifty dollars' | 'Not less than 99.99% gold'  |
| 2    | 'Twenty-five dollars'           | 'Not less than 91.67% gold'  |
| 3    | 'Fifteen dollars'               | 'Not less than 99.9% silver' |
| 4    | 'Two dollars'                   | 'Not less than 99.99% gold'  |
| 5    | 'Fifty cents'                   | 'Not less than 99.9% silver' |
| 6    | 'Twenty cents'                  | 'Not less than 99.9% silver' |
| 7    | 'Ten cents'                     | 'Not less than 99.9% silver' |
| 8    | 'Five cents'                    | 'Not less than 99.9% silver' |
| 9    | 'Two cents'                     | 'Not less than 99.9% silver' |
| 10   | 'One cent'                      | 'Not less than 99.9% silver' |

## 5 Specification of denomination and standard composition

- (1) For paragraph 13 (2) (a) of the Act, the Act has effect, on and after the day on which this Determination commences, as if:
- there were included in the Schedule to the Act a reference to the denomination 'Thirty thousand dollars', and there were specified in the Schedule opposite that denomination the standard composition 'not less than 99.99% gold' as the standard composition for coins of that denomination; and
  - there were included in the Schedule to the Act a reference to the denomination 'Fifteen hundred dollars', and there were specified in the Schedule opposite that denomination the standard composition 'not less than 99.99% gold' as the standard composition for coins of that denomination; and
  - there were included in the Schedule to the Act a reference to the denomination 'Eight hundred dollars', and there were specified in the Schedule opposite that denomination the standard composition 'not less than 99.99% gold' as the standard composition for coins of that denomination; and
  - there were included in the Schedule to the Act a reference to the denomination 'Three hundred dollars', and there were specified in the Schedule opposite that denomination the standard composition 'not less than 99.99% gold' and 'not less than 99.9% silver' as the standard composition for coins of that denomination; and

- (e) there were included in the Schedule to the Act a reference to the denomination 'Twenty dollars', and there were specified in the Schedule opposite that denomination the standard composition 'not less than 99.99% gold' as the standard composition for coins of that denomination; and
  - (f) there were included in the Schedule to the Act a reference to the denomination 'Eight dollars', and there were specified in the Schedule opposite that denomination the standard composition 'not less than 99.99% gold' and 'not less than 99.9% silver' as the standard composition for coins of that denomination; and
  - (g) there were included in the Schedule to the Act a reference to the denomination 'Fifty-five cents', and there were specified in the Schedule opposite that denomination, the standard composition 'not less than 99.9% silver' as the standard composition for coins of that denomination.
- (2) Subsection (1) does not affect any other determination made under paragraph 13 (2) (b) of the Act.

## **6 Specification of coins**

For subsection 13A (1) of the Act, each item in Schedule 1 specifies, for a coin having the denomination and standard composition mentioned in the item:

- (a) the coin's standard weight; and
- (b) the allowable variation from that standard weight; and
- (c) the coin's dimensions; and
- (d) the coin's design.

## **7 Application of Determination**

The specifications in Schedule 1 do not affect any other determination of the specification of a coin.

---

## Schedule 1      Specification of coins

(section 6)
